EDUCATION

Bachelor of Atmospheric Science

University of British Columbia | Vancouver, BC

Sep 2016 – May 2021

- The Bachelor of Atmospheric Science is an interdisciplinary four-year undergraduate program that focuses on the meteorological fields of air quality, environment, climate change, weather monitoring, and instrumentation. I obtained a strong foundation in physics, chemistry, math, and computing science.
- Graduated with distinction.

Go Global Exchange

University of Glasgow | Glasgow, UK

September 2018 – May 2019

- Third year of BSc undergraduate degree was completed as part of an exchange program. Continued main studies and completed most elective requirements.
- Received a \$1000 scholarship from *Go Global* for each semester.

WORK EXPERIENCE

Front of House Server and Cashier

Boogies Burgers | Calgary, AB

August 2021 – Present

- Working in a team of front of house staff to greet customers, take orders and payments, make milkshakes, serve food and beverages, and buss tables. Often on shift to assist in food prep for the day, or to thoroughly clean the restaurant before closing.

Patio and Taproom Server

Paddy's Barbeque and Brewery | Calgary, AB

July 2021 – August 2021

- Seated and served guests. Handled cash and worked with a POS system. Took drink orders at the bar and poured draught beer and non-alcoholic drinks on tap. Helped customers make informed decisions by providing details on each type of beer. Cleared and bussed tables as needed and did dishes. Maintained cleanliness of front of house. Regularly opened and closed the patio and front of house.

Community Outreach Coordinator

CJSW 90.9FM | Calgary, AB

June 2021 – August 2021

- Worked as a summer staff member soliciting existing and new businesses to be part of the CJSW Friends program. Emailed, called or visited 200+ local businesses and organizations to understand their desired sponsorship program. Ensured that CJSW enter the fall funding drive with a full roster of supporting businesses.
- Developed, produced, and edited audio content for advertisements for local and independent businesses to be broadcast on the radio.

Teaching Assistant

University of British Columbia | Vancouver, BC

September 2019 – April 2020 / September – December 2020

- Marked final exams and student quizzes for ATSC 113 Applied Meteorology: Weather for Flying, Sailing & Snow Sports, responded to students' emails in a timely manner and invigilated final exams both in person and online.
- Marked and reviewed invigilation videos for several other courses in the Earth, Ocean, and Atmospheric Science department.

Undergraduate Research Assistant

University of British Columbia | Vancouver, BC

Summers of 2018, 2019, and 2020

- Worked with a team of undergraduate students, graduate students, and research associates. Completed several projects, including organizing the office and storage space, creating an appendix for a meteorology textbook, developing prototype websites, cleaning, and testing weather instruments around Vancouver, and creating near real-time verification statistics of a wildfire smoke forecast against surface smoke measurements.

Facility Operations Staff

UBC Tennis Centre | Vancouver, BC

September 2017 – August 2018

- Assisted in facility maintenance and registering clients for programs and court reservations using CLASS software. Provided exceptional customer support to tennis patrons by answering questions via phone, email and in person. Demonstrated excellent problem solving, interpersonal skills and ability to work in a team environment.

VOLUNTEER EXPERIENCE

Co-President

UBC Storm Club | Vancouver, BC

September 2019 – May 2021

- Attended EOAS department strategic meetings and undergraduate council meetings. Planned and organized events for current undergraduate atmospheric science students and acted as a resource to new science students in choosing their major.

Interview Coordinator

UBC Storm Club | Vancouver, BC

September 2019 – May 2021

- Acted as a liaison between radio show hosts and promoters to inform contributors of interview opportunities via email and set up a mutually agreed-upon time for the host to interview the artist(s).
